Plans

Meridian Cloud Storage offers four plans. All plans include end-to-end encryption and a 14-day free trial. Paying for a full year in advance gives a 15 percent discount on the monthly prices below.

Plan	Storage	Users	Price per month
Starter	100 GB	1	4 EUR
Plus	1 TB	3	12 EUR
Pro	5 TB	10	29 EUR
Business	20 TB	50	89 EUR

The Business plan includes a dedicated account manager. Prices are per month and exclude VAT.

Add-ons and terms

Add-on	Unit	Price per month
Extra storage	per 1 TB	6 EUR
Priority support	per account	15 EUR
Extended file history (365 days)	per account	9 EUR

Terms

A cancellation takes effect at the end of the current billing period. Refunds are pro-rata and only possible within 10 days of a payment. Education customers get 40 percent off the Plus plan.

Data, uptime and support

Where your data lives

Files are stored in data centres in Finland and Ireland and are copied to three locations. The largest single file that can be uploaded is 50 GB. Deleted files stay in the bin for 30 days before they are removed for good.

Uptime promise

Meridian aims for 99.9 percent availability per month. If the monthly uptime falls below 99.9 percent, customers receive a service credit of 10 percent of that month's fee.

Support hours

Standard support answers e-mail from Monday to Friday, 09:00 to 17:00 UTC. The priority support add-on also covers weekends and answers within 4 hours.
